

# TS Onslow Naval Cadets Shoreline Management Project 2015-

---

Ken Mewburn

Take Action for Pumicestone Passage (TAPP)

This project is small in area, big in collaboration and complexity

This project is supported by funding from the Australian Government's National Landcare Program through Healthy Land and Water, and from the Queensland Government Sustainability Grant through Take Action for Pumicestone Passage (TAPP)

# T.S. Onslow Australian Navy Cadets

## Shoreline Rehabilitation Plan

A staged long-term plan that will endeavour to restore ecological integrity to the State owned foreshore reserve in front of the T.S.Onslow Navy Cadets Headquarters on the Esplanade at Golden Beach

# T.S.Onslow Naval Cadets Shoreline Management Project

This collaborative Community project aims to establish a natural shoreline vegetation buffer to prevent erosion and promote fish habitat.

Species to be planted will include low-growing red mangroves, groundcovers and coastal shrubs.
